
Financement de mobilité (Erasmus+, etc) pour chercheurs

Namur Research
Days, 26.02.2019

Outline

1. Erasmus+ Staff Mobility
 2. Erasmus+ International Credit Mobility
 3. Mobility Projects Wallonie-Bruxelles-Intern.
 4. Others (Asem-Duo, Fullbright,.....)
-

Why?

- ❑ Inter-personal contact is important:
 - It facilitates collaboration with partenaires/colleagues
 - Could lay foundation for other collaborations
 - ❑ It helps to internationalise UNamur campus
 - ❑ It allows you to make new connections and acquire know knowledge/technologies for your own reserach.
 - ❑ It also helps with your personal development (languages, etc) and will improve your CV.
-

1. Erasmus+ Staff Mobility

- A. Teaching Mobility (for academics)
 - Exchange visit must happen at one of the 200+ Erasmus+ partners of UNamur
 - Duration between 2 and 14 days

<https://www.unamur.be/international/appels>

4 Others

- Asem-Duo (ARES):
 - Competitive call every year to stimulate collaboration between Wallonie and Asia (for academics)
 - Bilateral exchange of 1 month (or two times 14 days)
 - Scholarship for travel and living expenses
 - Fulbright: Doctoral students/post-docs and academics IN and OUT. Very competitive. We invite Fulbright staff to give seminar at UNamur when call is announced.
 - Others: that arrive from time to time and are published on website and communicated to the target audience at Unamur (scientific and academic members)
